To Whom it Concerns,

Faten Benromdhane has worked at Al Bateel International Kindergarten , Doha, Qatar since 04/12/2016 as an Arabic and Islamic studies teacher until the present day. I was Principal during this period until 17/10/2019.

Faten is a very diligent teacher preparing all her classes with great attention and care and ensuring that all students are catered for and reach their potential. She uses a variety of methods and activities to achieve the learning targets set.

Faten always contributes greatly to our end of year Graduation Ceremony and celebrating Qatar's National Day by preparing the students to sing and dance to Arabic music.

Faten is also proficient in French.

Faten always enjoys a lovely working relationship with her colleagues and has a very beneficial partnership with the parents supporting them to assist their children in the best way.

Faten's punctuality and attendance are exemplary. I would recommend Faten unreservedly for a teaching position at your school.

Please contact me on 00353872044958 should you wish to discuss further.

Yours sincerely,

Denise Kelleher (ex Principal of Al Bateel International Kindergarten)
