teacher

(Arabic language + Islamic education + social studies)

I graduated from Assiut University in 2007 and joined the Egyptian Ministry of Education in 2009 with 7 years of experience, and then joined the Ministry of Education of the Sultanate of Oman in 2015 with 8 years of experience. A teacher in the first field (Arabic language, Islamic education, and social studies) and I seek to acquire a new skill and a new challenge, and she is passionate about work. I always work to develop myself and use modern methods and strategies
