

Dear HR Manager,

Application for Job Placement

With great veneration it is stated that, I am Saleem, **Petroleum Engineer** (graduated in October 2018), specializing in production Technology and drilling Operations from **University Technology PETRONAS, Malaysia**. I am deeply interested in developing a career in your esteemed organization. I do have a recent field experience with **Cougar Drilling Solutions Global Islamabad** as a MWD Engineer along with that I have experience with **Cosmic Petro Services Islamabad** as a well completion engineer and I am hardworking and willing to learn more. **Yet, I would like to emphasize that I am not limiting my area of interest as I would like to build a career in your well-regarded prestigious organization.**

My undergraduate course work and projects as well as my practical work experience have helped me to set up a strong foundation. I would put my stakes on my ability to ramp up steep learning curves and my good coding skills which is relevant from the variety of projects that I have worked on. I surely believe I would turn out to be an asset in your reputed organization if given the opportunity. I strongly believe that in a working environment such as that of your esteemed organization is conducive to fulfill my aspirations.

I have gained valuable practical experience during my Adding on to my academic skills I can specify some of my positive attributes gained through my exposure to the outside world like

- Ability to work in a group coherently
- Effective Communication skills
- Hard working nature, professional and positive attitude.

I am looking forward to discussing this position if given the opportunity. I eagerly seek an opportunity to hold aloft the reputation of your organization in the competitive world with my own original contribution. Attached here with is my resume for your future references. Please contact me if there are any other supporting documents that you required for the selection process. I am also willing to undergo interview prior to the selection processes.

My contact details are provided below for contacting purposes. I hope to receive a favorable respond from you. I close with great hopes and aspirations.

Respectfully yours,

ENG, SALEEM

House # 50, Al Baraka St 419, Zone: 55 New Ghanim, Doha Qatar.
