

Money and Time Unit 4

Problem solving and reasoning questions

- Write the missing day from Sam's list.

Wednesday
Friday
Monday
Saturday
Tuesday
Sunday

True or false

- June comes after July
- 4 months in a row end with __ber
- March is in spring
- Summer is the season after winter
- December is the month that follows January
- The year starts in March

These questions should be provided for children to do once the unit has been completed. They assess the children's mastery of the skills and concepts in this unit.
