

# Factors Sheet 1

List **all** the factors of these numbers.

Before you start, discuss with a partner which number you think will have the most factors and which will have the fewest.

1. 12

2. 20

3. 40

4. 21

5. 36

6. 18

7. 27

8. 48

9. 50

10. 32
