

## Ordering numbers

### Sheet 1

Put the numbers in each row in order from smallest to largest.

		Order from smallest to largest
1	400, 200, 800, 450, 201, 102	
2	199, 665, 595, 911, 605, 109	
3	111, 102, 210, 201, 101, 110,	
4	324, 516, 978, 388, 813, 999	
5	555, 454, 545, 444, 554, 455	
6	340, 403, 334, 333, 443, 343	
7	225, 1025, 255, 125, 1205, 522	

#### Challenge

Choose one of your sets of ordered numbers. Can you find a number to go in between each pair in the list?
