

# Microhabitats

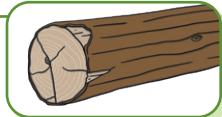

What is a microhabitat?

---

---

What might live in, around or underneath...

a fallen log?

---

---

---

---

leaf litter?

---

---

---

---

grass?

---

---

---

---

stones?

---

---

---

---

puddles?

---

---

---

---

Can you name any other microhabitats?

---

---

---

---
