

Day 2: Recognise the + and - and = signs, and use these to read and write simple additions and subtractions.

We are going to take the last peg off.

How many pegs will be left?

?

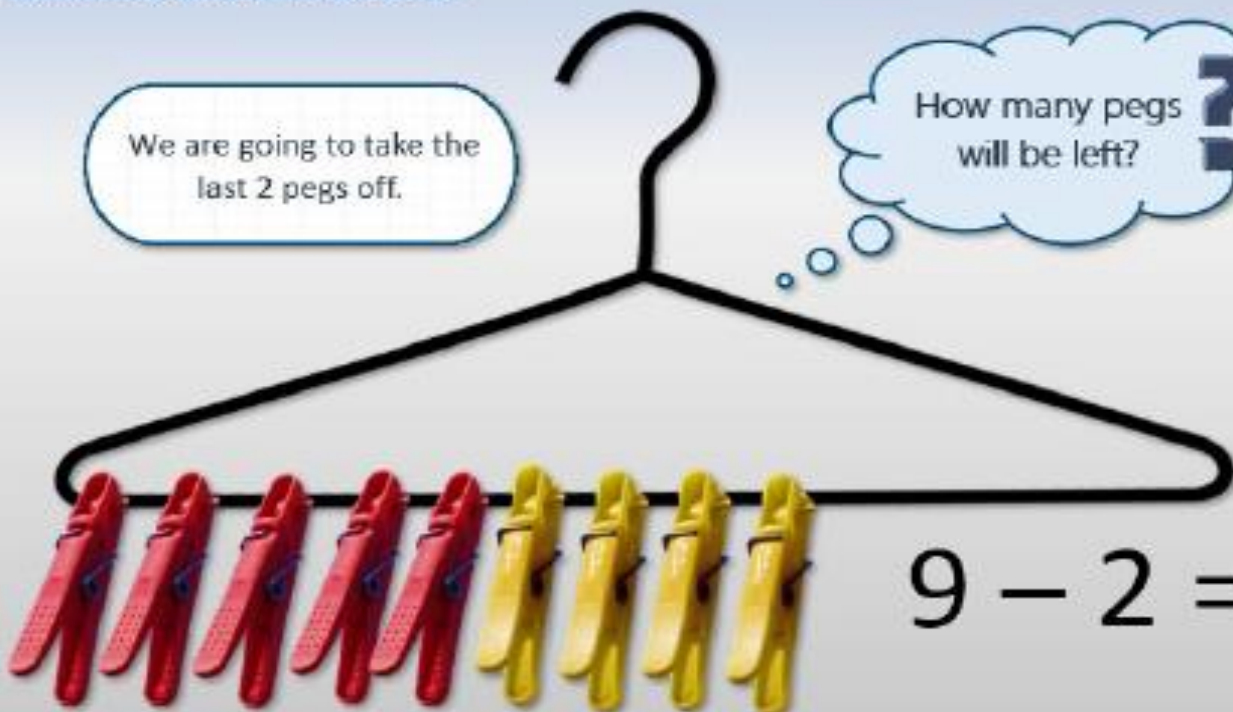

$$10 - 1 = 9$$

Day 2: Recognise the + and - and = signs, and use these to read and write simple additions and subtractions.

We are going to take the last 2 pegs off.

How many pegs will be left?

?

$$9 - 2 = 7$$
