

Year 1 Autumn Maths Block Assessments: Addition and Subtraction (A)

| Objective | Before    | After    |
|---|---|--|
| I can recognise the +, - and = signs, then use these to read and write simple additions and subtractions. | | |
| I can add small numbers by counting on. | | |
| I can subtract small numbers by counting back. | | |
| I know number bonds to 5, 6, 7 and 10. | | |
| I can solve addition and subtraction problems in number stories. | | |

Assessments cover learning in each **Short Block**.
Complete the assessment below after **all** learning in that block.
