

Which coin?

Sheet 1

Using just 2p coins and 5p coins, investigate which of these amounts can be made.

Amount	Coins needed to make amount
1p	
2p	
3p	
4p	
5p	
6p	
7p	
8p	
9p	
10p	

Challenge

Repeat the activity above, but this time imagine that you have 3p and 4p coins. Which amounts from 1p to 10p can be made? Record your answers below.
