

Year 2 Autumn Maths Block Assessments: Place Value and Money

Objective	Before 	After 
I can use $<$, $>$ and $-$ to order numbers 0-100.		
I understand number properties, e.g. multiple of 10, odd, even, between.		
I can split and recombine 2-digit numbers.		
I can make and write amounts of money.		
I can find money totals and give change.		

Assessments cover learning in each **Short Block**.

Complete the assessment below after all learning in that block.
