

## Day 3: Know pairs to 10 and 20, and write related addition and subtraction facts.

We can write **4 number sentences** to go with this one picture!

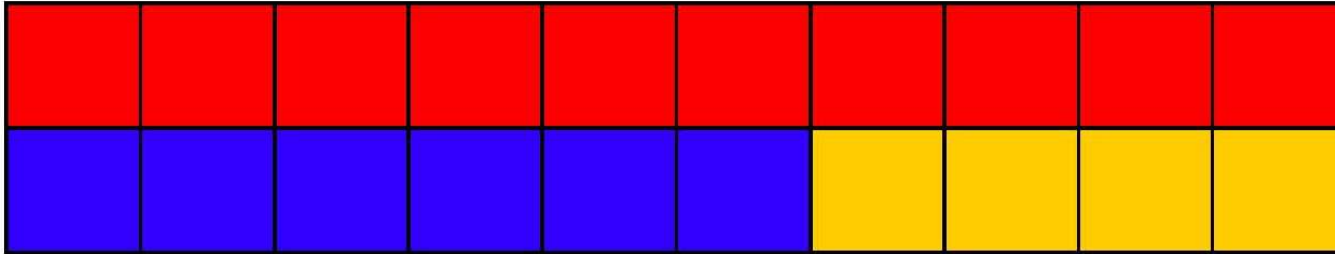

$$6 + 4 = 10$$

$$4 + 6 = 10$$

$$10 - 4 = 6$$

$$10 - 6 = 4$$

## Day 3: Know pairs to 10 and 20, and write related addition and subtraction facts.

It can be time consuming to draw all the cubes, so we can just draw **bars** to **represent** the cubes.

Day 3: Know pairs to 10 and 20, and write related addition and subtraction facts.

Let's write number sentences to go with this picture.

20	
16	4

$$16 + 4 = 20$$

$$4 + 16 = 20$$

$$20 - 4 = 16$$

$$20 - 16 = 4$$
