

Day 2: Add and subtract 20, 30, 40, 50 to/from 2-digit numbers using the beaded line.

Show me 52 on your bead strings.

We are going to add 40 by **counting on in 10s.**

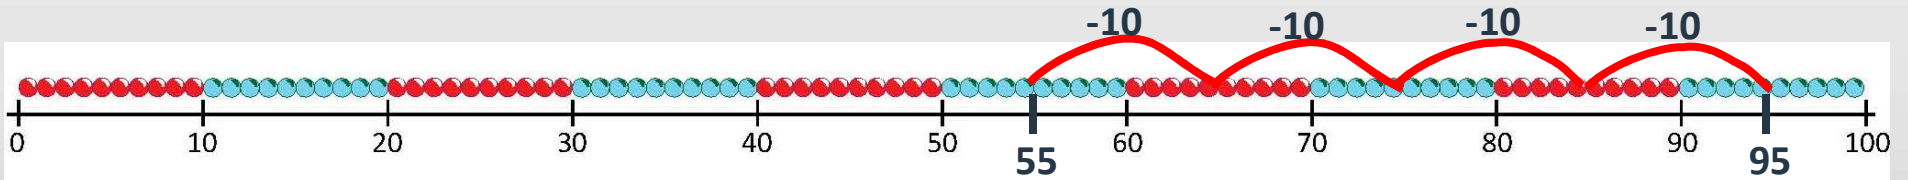

$$52 + 40 = 92$$

Day 2: Add and subtract 20, 30, 40, 50 to/from 2-digit numbers using the beaded line.

Show me 95 on your bead strings.

We are going to subtract 40 by **counting back in 10s.**

$$95 - 40 = 55$$
