

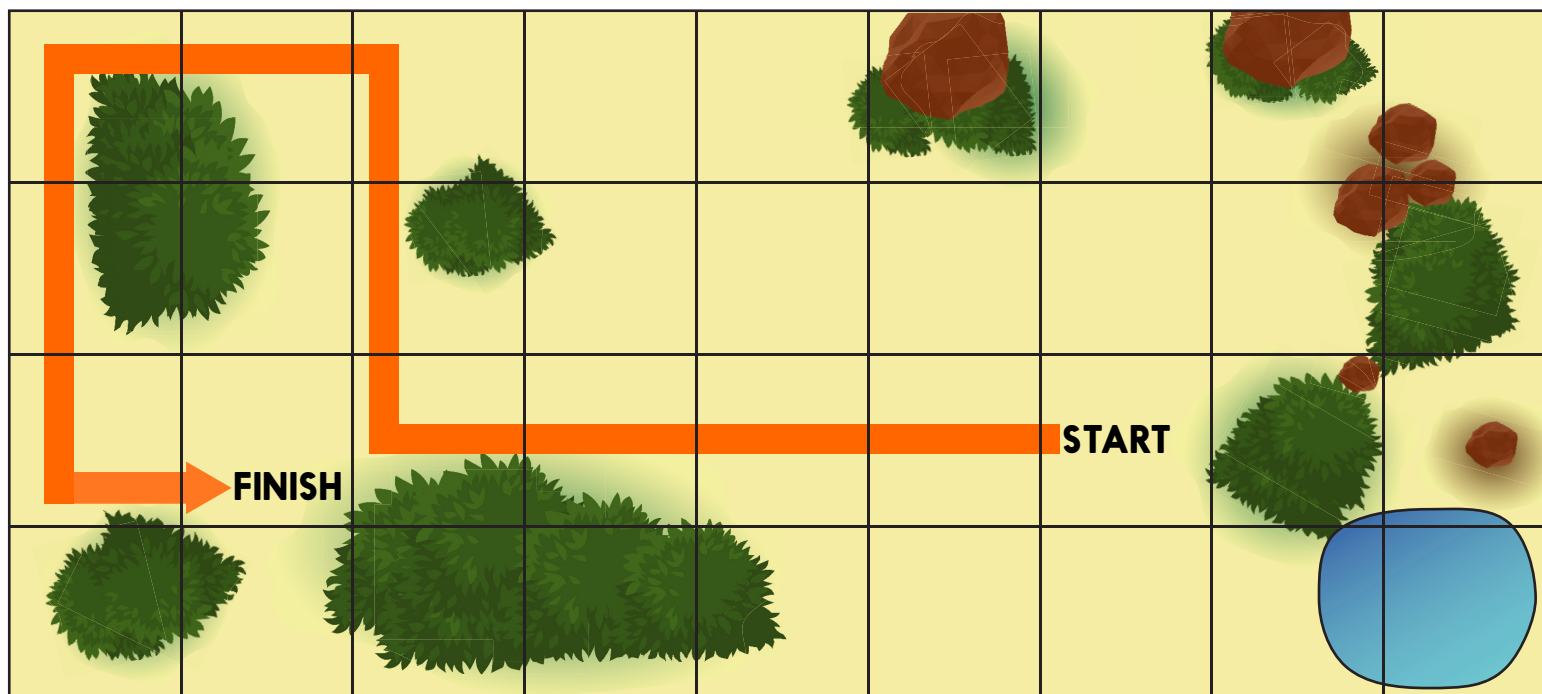

Mapping turns

Sheet 1

Write the instructions for Kay the rabbit's journey.

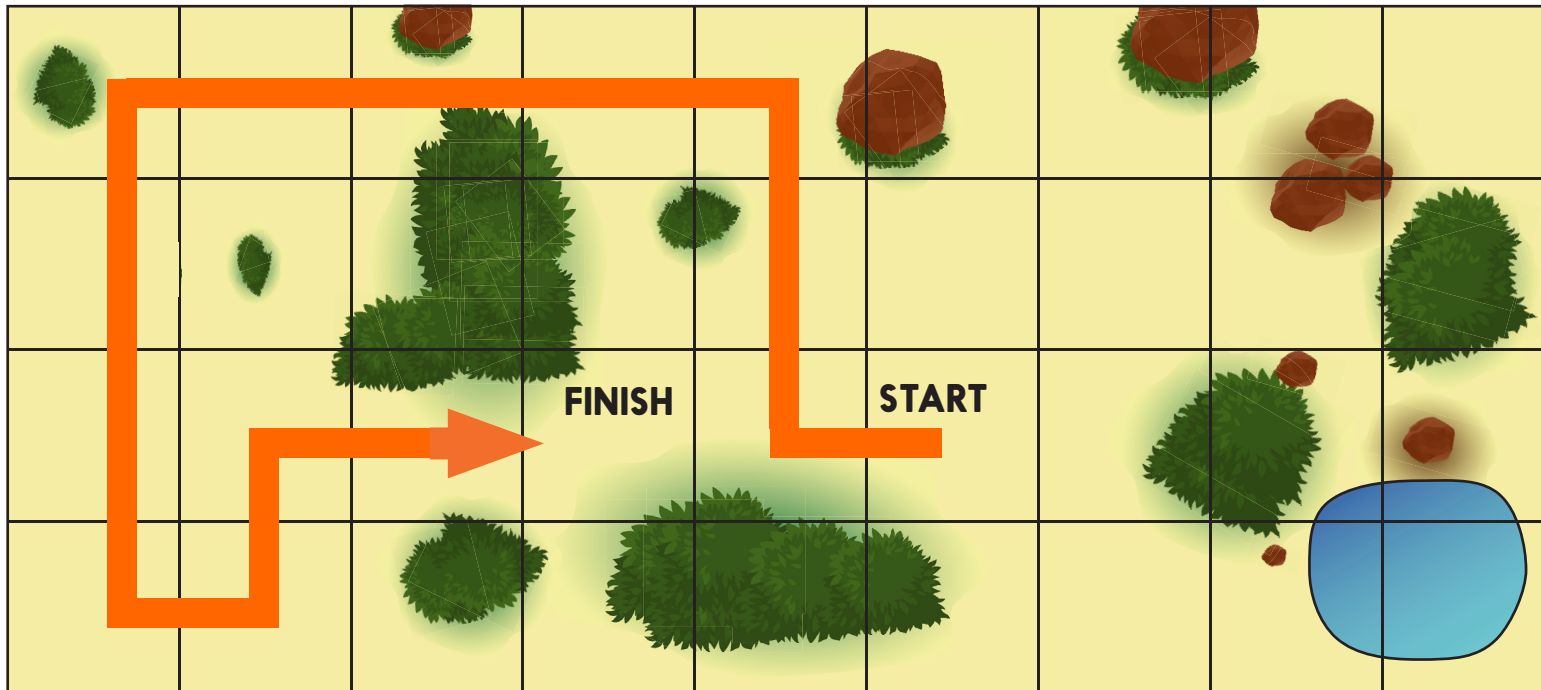

Challenge

Using some squared paper, design a new route map for Kay the rabbit. Try to include $\frac{1}{2}$, $\frac{1}{4}$ and whole turns and visit the pond.

Mapping turns

Sheet 2

Write the instructions for Kay the rabbit's journey.

Challenge

Using some squared paper, design a new route map for Kay the rabbit. Try to make at least 10 turns (including $\frac{1}{4}$, $\frac{1}{2}$ and whole turns) and end up back where you started!
