

Who am I? Shapes

Sheet 1

Can you create clues for each shape? The first one has been done for you:

I have 4 sides.
I have 4 right angles.
2 of my sides are shorter than the other 2.
I have 2 lines of symmetry.

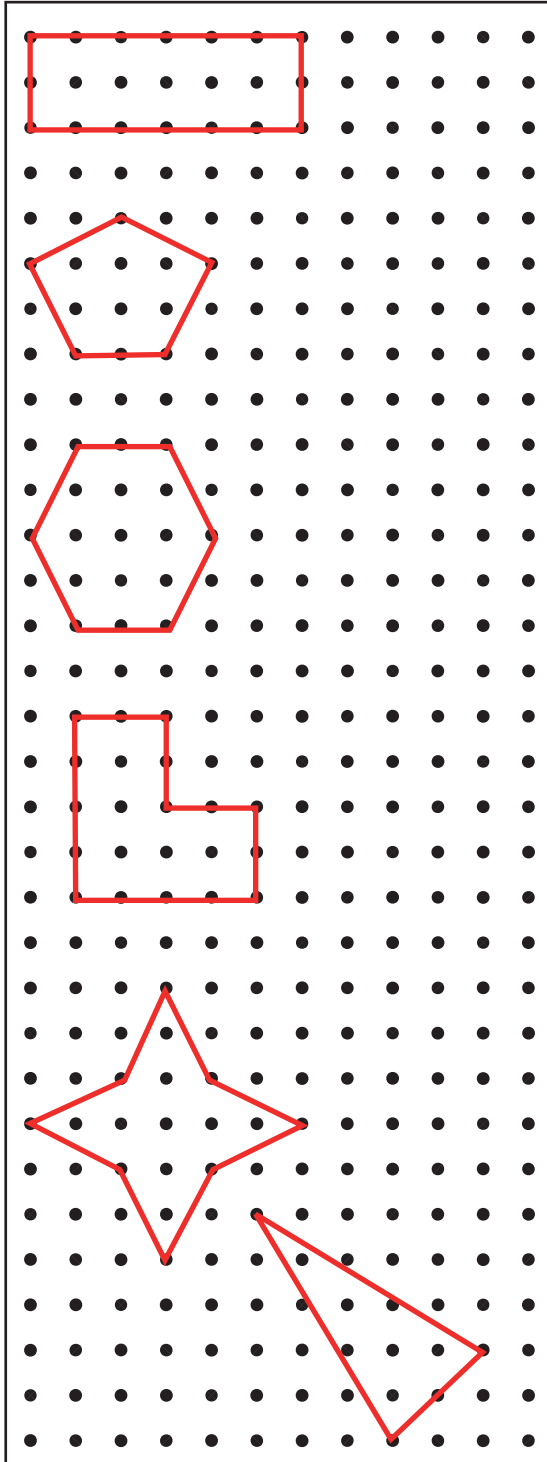

Challenge

Draw another shape and write the clues for it.

Who am I? Shapes

Sheet 2

Can you create clues for each shape? The first one has been done for you:

2 of my sides are shorter than the other 2.
I have 2 lines of symmetry.
I have 4 sides.
I have 4 right angles.

Challenge

Draw another 2 shapes and make up some clues for them.
