

## Measures Unit 4

### Problem solving and reasoning questions

In 1 minute, I can Sometimes/ Always/ Never:

- Tie both shoelaces;
  - Count to 100;
  - Roll ten 6s on a 0-9 dice;
  - Toss a coin and get five *heads*.
- 

How many minutes until playtime? Can you estimate?

---

Give your most accurate estimates to complete these sentences:

In 30 seconds, I can...

- drink  cups of water;
- climb up  steps;
- run  times across the playground.

In 1 minute, I can...

- walk there and back across the classroom  times;
- do  push-ups;
- write *Tyrannosaurus Rex*  times.

These questions should be provided for children to do once the unit has been completed. They assess the children's mastery of the skills and concepts in this unit.
