To Whom It May Concern

This is to certify that Mrs. Fathima Zahra Rouf Nisthar of No.18, 1st Lane, New Settlement Road, Puttalam. Was employed as an Assistant Arabic Teacher in our college from 2012.03.12 to 2013.05.21.

She has done a great asset not only to the children but also to the tutorial staff in numerous ways. Her logical approach to any situation and systematic handling of college affairs has won the hearts of our superiors.

As a member of the college Discipline committee and Examination board, she did her duties exemplarily to the satisfaction of the Board of Management.

She hails from a respectable family. She is exuberant hard working and loyal. Hence I have no hesitation in recommending her for any one who requires her services. And I wish her success.

Principal.
