

Colour-coding shapes

Sheet 1

Colour the pentagons blue, the hexagons green and the octagons orange.

Challenge

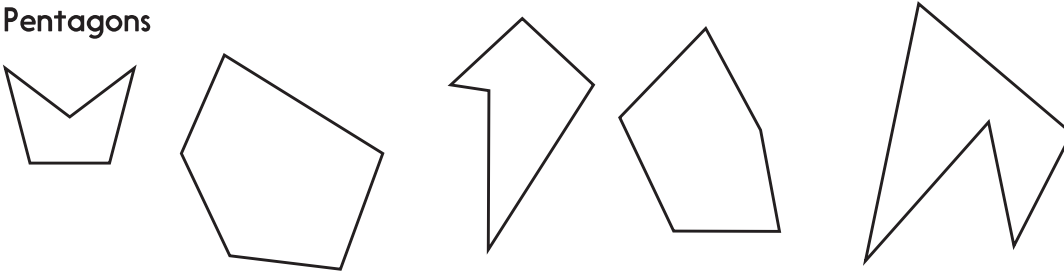

Are there any shapes left over? Draw two more shapes that have the same number of sides. Can you name these shapes?

Shape and data

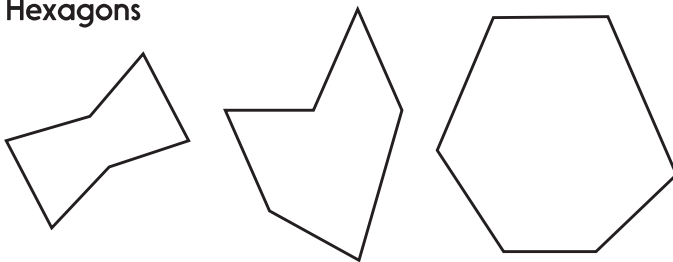

Answers

Day 1 Colour coding shapes Sheet 1

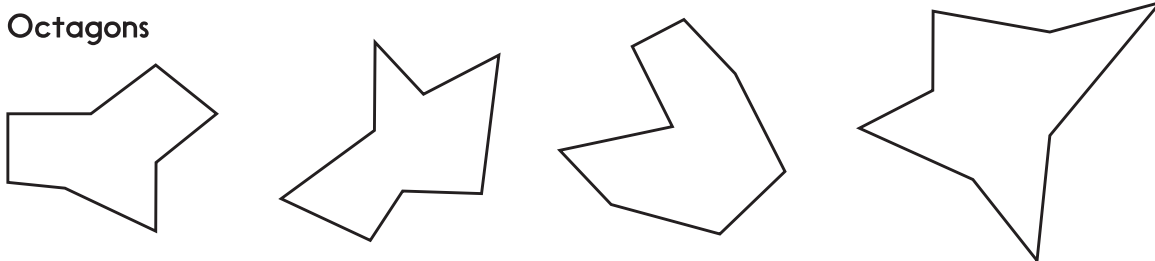

Pentagons

Hexagons

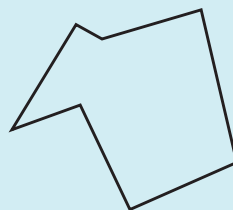

Octagons

Challenge

This shape is left over:

It has 7 sides and is a heptagon.

Day 2 Drawing polygons Sheet 1

Challenge

Sarah is wrong. Her shape is a hexagon as it has 6 sides. If it was an octagon it would have 8 sides.
