

# Who am I? Shapes

## Sheet 1

Can you create clues for each shape? The first one has been done for you:

I have 4 sides.  
I have 4 right angles.  
2 of my sides are shorter than the other 2.  
I have 2 lines of symmetry.

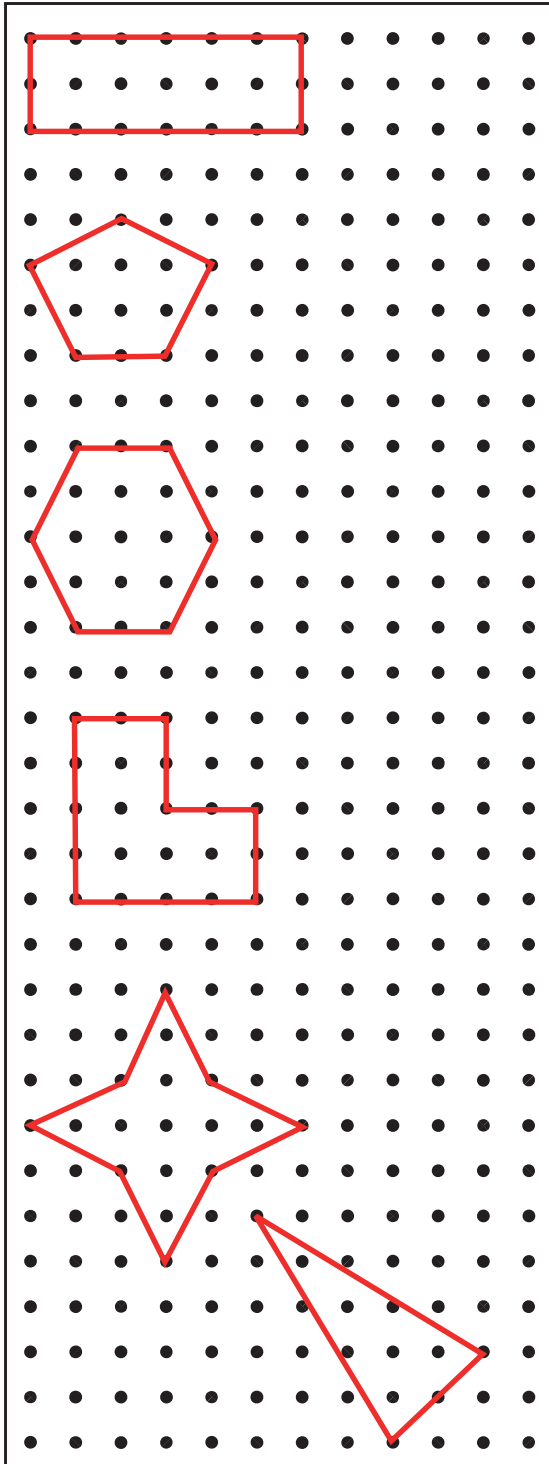

### Challenge

Draw another shape and write the clues for it.

# Who am I? Shapes

## Sheet 2

Can you create clues for each shape? The first one has been done for you:

2 of my sides are shorter than the other 2.  
I have 2 lines of symmetry.  
I have 4 sides.  
I have 4 right angles.

### Challenge

Draw another 2 shapes and make up some clues for them.
