

Pet Owners and Community for Animals

Who are we?

QAWS was founded in 2004 to help the stray & abandoned animals in Qatar. In 2009 QAWS became member societies for SSN and MENAW and was accepted as a WSPA member society in 2010.

Funded purely by public donations, the shelter is a temporary home to over 150 animals looking for new families and is a permanent home to over 50 animals that are not suitable for rehoming for one reason or another. [Learn More..](#)
