

# Double numbers up to 20

**Things you will need:**  
 • A bead string

12	20	15	11	19	16	17	13	18	14
----	----	----	----	----	----	----	----	----	----

With a partner, choose one of these number cards.  
 Each of you find that number of beads on your bead string.  
 How many beads altogether? Write your answer in a sentence, e.g. Double  
 Choose a different number to double. Write your answers here:

11 is 22
