

**1. Tick the statements that are true for each type of animal.**

|   |  | <b>Mammal</b><br> | <b>Bird</b><br> | <b>Reptile</b><br> | <b>Amphibian</b><br> | <b>Fish</b><br> |
|---|--|--|--|--|---|--|
| 1 | It has scales.<br>                  |  |  |  |   |  |
| 2 | It lays eggs<br>                    |  |  |  |   |  |
| 3 | It gives birth to live young.<br> |  |  |  |   |  |
| 4 | It can live on land.<br>          |  |  |  |   |  |
| 5 | It can live in the water.<br>     |  |  |  |   |  |
| 6 | It has feathers and wings.<br>    |  |  |  |   |  |
| 7 | It has fur.<br>                   |  |  |  |   |  |
| 8 | It has fins.<br>                  |  |  |  |   |  |

2. Read the questions and fill in the space provided by using the helping words given in the boxes.

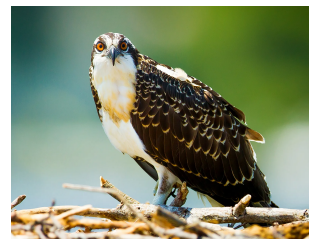

|       |          |        |       |       |      |      |       |
|-------|----------|--------|-------|-------|------|------|-------|
| Lungs | claws    | scaly  | fur   | water | beak | hair | eggs  |
| dry   | feathers | scales | wings | gills | milk | warm | birth |

|   |  |   |  |   |  |  |   |
|---|--|---|--|---|--|--|---|
| R |  | p |  | i |  |  | s |
|---|--|---|--|---|--|--|---|

- Most have skin covering their bodies \_\_\_\_\_ and \_\_\_\_\_ skin covering their bodies.
- Breathe air through \_\_\_\_\_.
- Most reptiles lay \_\_\_\_\_.

|   |  |  |   |
|---|--|--|---|
| B |  |  | s |
|---|--|--|---|

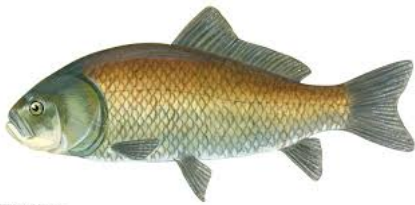

- Layers bodies \_\_\_\_\_ cover their bodies.
- Have a \_\_\_\_\_, \_\_\_\_\_, or talons
- Have \_\_\_\_\_ to help them fly.

How do feathers help birds?

---

---

|   |  |   |  |
|---|--|---|--|
| F |  | s |  |
|---|--|---|--|

- Live in \_\_\_\_\_.
- Most have and breathe through \_\_\_\_\_ on their bodies
- Most lay \_\_\_\_\_ and some give birth.

|   |  |  |  |   |  |   |
|---|--|--|--|---|--|---|
| M |  |  |  | a |  | s |
|---|--|--|--|---|--|---|

- They are \_\_\_\_\_ blooded animals.
- They have fur or \_\_\_\_\_ in their body.
- They give \_\_\_\_\_ to the young ones and they feed \_\_\_\_\_ to them.
