

**EXIT SLIP**

Q1: During the promotion of 25% to 50% at ToysRus, A white board price has been reduced by 25%, If the original price was 112, What is the new price after promotion discount?

Q2: Here is a different spinner with 12 equal sections.

Mia colours the whole spinner using only yellow, red and blue.  
 She colours **two** sections yellow.  
 There is a 25% chance of spinning blue.

Write the chance of spinning red.

..... out of ..... chance
