

## Y2 Autumn Fiction: Stories with Familiar Settings

### Unit 3

## Comprehension: Plot and narrative sequences in stories with familiar settings

### *Teacher notes*

For Day 1 – you will need to have prepared the story sequencing cards.

For Day 2 – you will need to decide the groups for the shared comprehension questions. The weaker children will need support with the group reading task and a set of the group reader books.

For Day 4 – allow time for children to retell their stories to an audience. This is a great thing to do in assembly!
