# Worksheet 6.2C

## Making balls stop and move

In this picture, the children are using push forces to make the balls move and to make them stop.

Draw another game where people make a ball move and stop.

Circle the right words to finish these sentences.

- 1 In the games the players use a pushing stop / pull / force / table tennis to start the ball moving.
- 2 In mini tennis and stop / pull / force / table tennis children use a hand to push the bat.
- 3 In each game the children can use a push force to stop / pull / force / table tennis the ball.
- 4 When they pick the ball off the ground the children use their hands to stop / pull / force / table tennis the ball up.
