TERMS & CONDITIONS

The inspection report has listed the defects found on your vehicle at the time of inspection these defects must be repaired to ensure that your vehicle meets the minimum roadworthiness standards in Qatar and the relevant traffic laws.

Please note the following points carefully :

- One free of charge re-inspection is allowed for every paid inspection except drinking water tanker.
- Defective parts under chassis and tires will be marked with yellow paint.
- For re-inspection purpose do not use sealant on the repaired parts.
- A full re-inspection of defective parts and related systems will be carried out where necessary.
- It is the presenter's responsibility to provide suitable proof that an item is original equipment manufacturer or approved where a dispute exists.
- If you have a complaint please see our customer service staff as soon as you receive the online inspection report and before the vehicle is moved from the parking area.
- FAHES will not accept responsibility for defects on inaccessible parts, unseen damages or non-testable items.
- FAHES advise that:
 - The vehicle isn't driven with any major defect for safety reasons.
 - Defects should be repaired by qualified mechanics in accordance with the recommendations of vehicle manufacturer.
- The FAHES inspection PASSED report confirms that at the time of inspection the vehicle met the minimum requirement for the accessible testable items in accordance with the law. It is the driver's responsibility to maintain this standard throughout the year as the inspection doesn't consider or make allowance for future wear or deterioration.
