

**The Next Generation School – Al Wukair Primary Campus  
Academic Session 2022- 2023**

**YOUTH LEADERSHIP PROGRAMME PROJECT PLAN**

<b>Chosen YLP Topic of Year:</b>
Building Resilience after disasters
<b>Connection to Current Local Community / Global Issues</b>
United Nations Office for Disaster Risk Reduction - Regional Office for Arab States Qatar is taking major steps to develop a national plan for mainstreaming disaster risk reduction and recovery to address future disaster challenges, improve the coordination and determine key actions. Sixty Qatari officials representing ministries, city governments and NGOs have just completed an intensive training in Doha under the umbrella of the International Recovery Platform (IRP) initiative with the support of the UN Office for Disaster Risk Reduction (UNISDR).
<b>Big Idea</b>
Enhance inclusive and sustainable urbanization and capacity for integrated, and sustainable human settlement planning and management after disasters.
<b>Sustainable Development Goal/s</b>
Goal 11. Sustainable Cities and Communities Make cities and human settlements inclusive, safe, resilient, and sustainable.
<b>Big Questions</b>
How does natural disasters cause threat to sustainable development? What are the factors that increase resilience after disaster? How to protect the planet and building resilience? How important is it to be prepared and resilient during disaster occurred?
<b>Research Methods</b>
Case Study, Survey, Questionnaire, Videos, Web search
<b>Engaging Parents/PTA</b>
As speakers who has experienced a natural disaster and rebuilt the loss.
<b>Community Engagement</b>
Guest Speakers
