

Action Plan

Topic: Kids as Entrepreneurs

Goal: Learners will be able to enrich their experiences with vast of opportunities and activities which are Not only be limited by their own creativity and imaginations as they incorporate these concepts into their projects.

The Youth Leadership Programme theme this year is **“Explorers and Investigators.”** As one of the highlights of the programme, students are encouraged to explore, expand, experiment, experience, explore about entrepreneurship linking to environmental issues and global challenges. Our research will focus in promoting United **Nations Sustainability Development**

Goal No. 8 Decent Work and Economic Growth aligned with **Qatar 2030 Vision**

Moreover, the topic about entrepreneurship will help each child to become responsible citizen. Considering being responsible as one of the main qualities possessed by a leader, students are assigned to different tasks to research and investigate.
