Class Teacher's Comments
Tameem has performed outstandingly in most learning areas, yet occasionally sought undue attention and can be unsettled at times. However, I am delighted to see that he has learned to review his work independently and can identify what he has done well. His motivation and resilience in approaching tasks, particularly during the YLP sessions, is commendable. I am confident that he will accomplish greater things in the year ahead. All the best, Tameem! You are promoted to Year 3.
