Class Teacher's Comments				
<p>Ezeldeen brings enthusiasm and confidence to the classroom, often contributing ideas to discussions. During the Youth Leadership Programme, Ezeldeen exhibited great enthusiasm while researching the importance of life below water. However, he did not meet expectations this academic year and needs to significantly improve his independent thinking and explore diverse approaches more consistently. By focusing on these areas, he can unlock his full potential and become a truly well-rounded learner. Not promoted to Year 4.</p>
