Karim understands text, answers explicit and implicit questions, and recognises structures. He connects ideas, crafts, and organises stories confidently. He should improve discerning implicit meanings for deeper insights. Numeracy A* A B C D E Formative Assessment Summative Assessment Karim's ability to understand multiplication is proficient. Moreover, practicing multiplication with three-digit numbers will help him further strengthen his skills and knowledge in the subject. Science A* A B C D E Formative Assessment Summative Assessment W Summative Assessment Karim uses first-hand experiences to explore light, shadows, and Earth-Moon movement. To excel further, he should identify patterns and draw insightful conclusions from experimental data.
