Class Teacher's Comments

Zein is an engaged learner who actively participates in class. He always thinks carefully about his work and sets goals for himself that he achieves. He loves to learn, which is clear from how involved he is in discussions and activities. Zein brings fresh ideas and creative solutions to the classroom. He could benefit from believing more in himself. With continued encouragement and positive reinforcement, Zein will become more confident in his skills. It was fantastic to see Zein present his YLP presentation with such confidence and creativity. Congratulations! Promoted to Year 4!
