**Class Teacher's Comments**

Hajra is an outstanding student with strong analytical and critical thinking skills. She displays diligence and sincerity and takes responsibility for her learning. She has performed well in all the subjects. However, her grades in Physics do not reflect her true potential. She actively participated in 3rd semester of the Qatar Foundation Math's Circle, organised by QF's Pre-University Education student enrichment program, led by mathematics professors from three QF partner universities.
