Class Teacher's Comments	
Mustafa is an independent learner and I appreciate his enthusiasm and sincerity in completing work assigned to him. However, he needs to improve his listening skills in the classroom to complete the task and is encouraged to be involved in projects and other extracurricular activities. During Youth Leadership Programme presentations, there seemed to be a lack of focus. He is advised to stick to the subject matter for listeners to understand what the presentation is about. Congratulations! Promoted to Year 4.
